Single origin filter coffee, roasted by Tate

Our selection from the southern region of Tolima is a coffee displaying perfect balance.

Typically for this region the coffee has a well-structured winery, red fruit acidity.

The sweetness is pronounced, clean and fully saturated.

As part of our commitment to reduce Tate's carbon footprint we are sourcing bag-in-box wine. By the end of 2015 we will have eliminated the need to dispose of fifteen tonnes of empty wine bottles. Additionally it enables us to serve better wine at a lower price - so much of wine's cost is tied up in the bottles.

TRADITIONAL

The new wave of brewers often take their influences from mainland Europe

or the US, but we should not forget the rich history of brewing in the UK.

These are classic British ales, many from historic breweries.
