

DOLLY IDEAS PACK

To start with, take a look at the PINK LADY, you'll find her on the right as you leave the studio.

She is our most obvious fashion icon... what do you think?

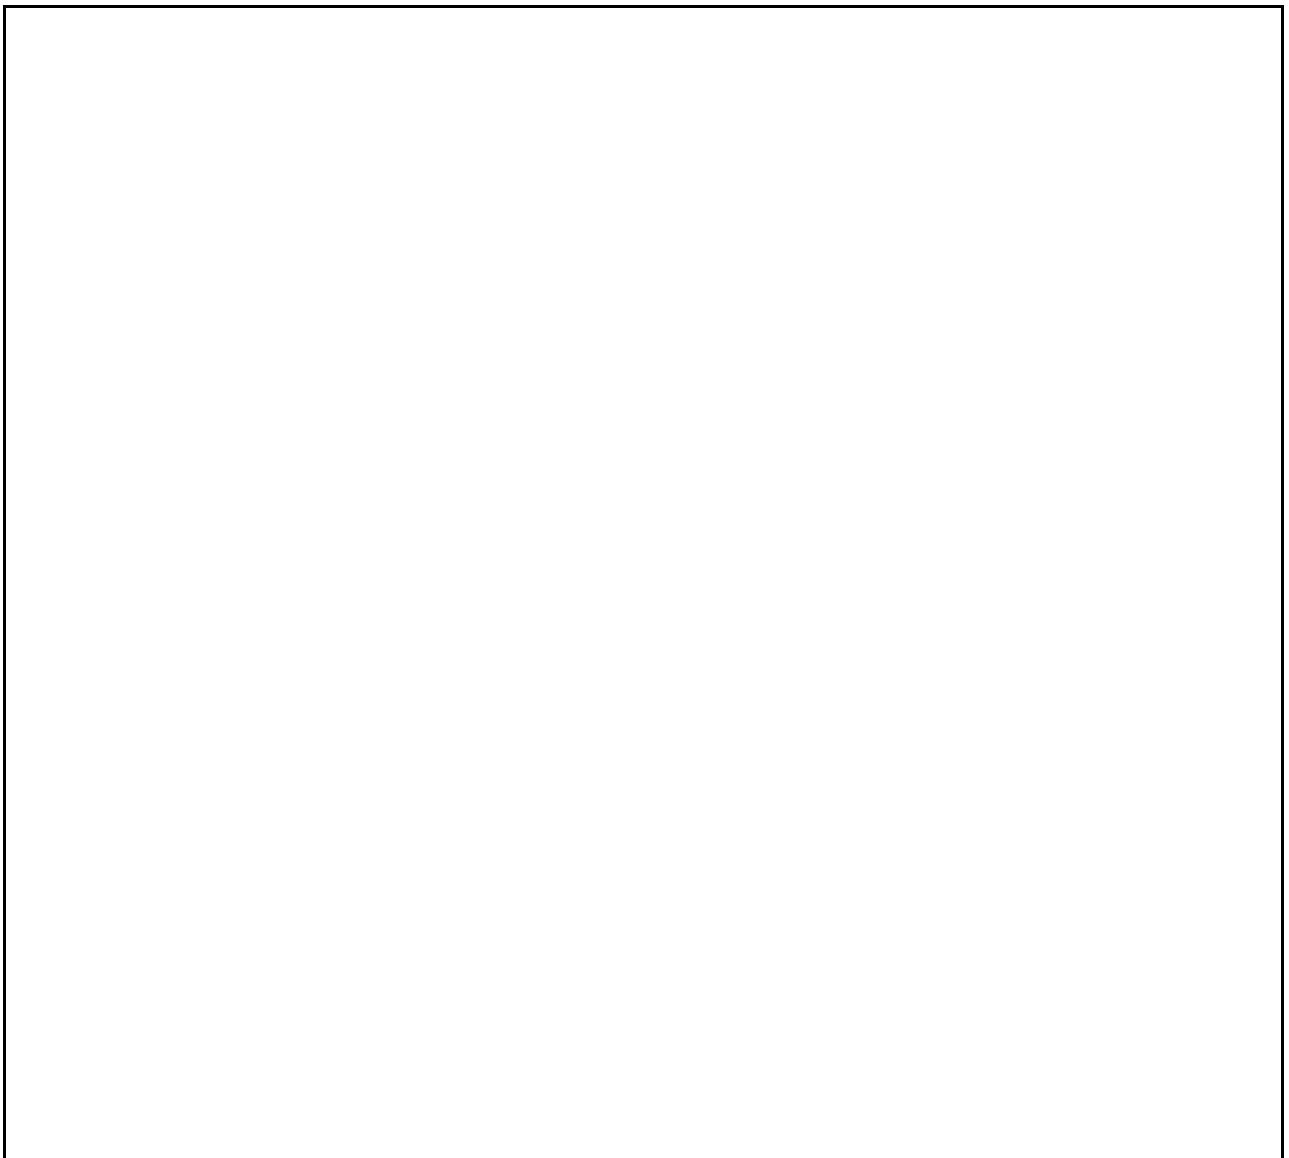

Draw or write down three fashionable things that you notice about her.

A large, empty rectangular box with a thin black border, intended for drawing or writing. It occupies the lower half of the page.

Who do you think she is? Have a look at the information on the wall to find out.

Who designed her clothes?

Explore further into the gallery. Can you find any similar qualities in other works?
Note down your ideas:

A large, empty rectangular box with a thin black border, intended for students to write down their ideas and observations.

At the other end of the gallery are two nude figures: Storm Man and Hurricane Woman.

Who do you think they are?
How old are they?

If you were going to dress them, what colours would their clothes be?

Have a look around the Gallery, and see if you can find similar colours to the ones you have chosen in other works. Note down any ideas they give you, because.....

.....We want you to find a work of art in the Gallery to be your main inspiration for your dolly design.

Have a good look around both sides of the 1st Floor. Sketch out and write down the name of your chosen piece, and think about the shapes, patterns and colours you will use to design your

dolly. Remember that you can incorporate ideas that you have already thought about.

When you're done, head back to the studio and get creative...
