The Weed

Quentin Blake

The Weed is a brand new title from the highly acclaimed author and illustrator Quentin Blake.

The Meadowsweet family suddenly and unexpectedly find themselves at the bottom of a giant crack in the earth. With the help of their pet bird, Octavia and a magical seed, the family go on a journey to the surface.

An inspiring tale about the power of nature, The Weed encourages children and adults alike to care for the environment and each other.

The Weed is a charming, fantastical story about discovery, the potential for growth, the power of an idea and the importance of having faith in the unknown.

Sir Quentin Blake is a British cartoonist, illustrator and writer. His illustrations and stories have delighted children and adults all around the world for more than fifty years.
THE BIG TRIP
Alex Willmore

The Big Trip is a brilliantly funny tale about what can happen when you don’t think of others and watch where you’re going...

Bear thinks that he is the coolest guy in the forest. He loves to strut his stuff, he loves to do whatever he wants and he never worries about a thing! One day, Bear is strutting his stuff as usual in the forest, not minding where he is going, when he runs into Moose. Moose tries to help him realise that he should take care and mind others and where he is going, but he doesn’t care – he does whatever he wants! Will Bear listen or is he about to learn the hard way that he’s making a mistake?

• A FUNNY STORY ABOUT MINDING YOUR MANNERS AND BEING CARING ABOUT THOSE AROUND YOU
• REMINDS CHILDREN TO BE AWARE OF OTHERS AND THEIR ENVIRONMENT – WHILE STILL HAVING FUN!
• THE PERFECT BOOK TO SUPPORT CHILDREN LEARNING EMPATHY IN SCHOOL AND AT HOME

Alex Willmore is an illustrator and designer from Northampton, England. He has produced illustrations for greetings cards and children’s clothing as well as illustrating many children’s books.
Ami is afraid of absolutely everything, but when she meets a creature who needs her help, she puts her fears behind her to make them feel better! The more she does, the more she realises what she has been missing until she is no longer afraid. Then she meets a new creature...
THE RIDE
Guilherme Karsten
A surfer gives a ride to a soon-to-bemarried diver, a tired super hero, a bored alligator, a wanted criminal, a scared little girl... But will the occupants of the increasingly overcrowded car make it to the beach? A wonderfully humorous story, playing on repetitions that will delight children!

• A FUNNY, HOUSE-THAT-JACK-BUILT STYLE PICTURE BOOK FROM GUILHERME KARSTEN
• BRILLIANT ILLUSTRATIONS AND LOTS TO SPOT
• GREAT, FUNNY CHARACTERS

Guilherme Karsten was born and lives in Blumenau, Brazil. As well as publishing picture books in multiple languages, he works in fashion, graphic design and editorial illustration.
Angie, Ollie, Simona, Mario and Eric were all hauled up safely. On the day of the outing they all set off in the yellow bus. Big Eddie was driving.

THE FIVE OF US
Quentin Blake

The Five of Us is a captivating tale of adventure, friendship and teamwork from one of Britain’s best-loved illustrators, Quentin Blake.

Angie, Ollie, Simona, Mario and Eric are five fantastic friends, each of whom has an unusual ability. Disaster strikes on a day out to the countryside but, working together and combining their individual powers, the Fantastic Five save the day. Teeming with Quentin Blake’s characteristic sense of fun and his exuberant illustrations, The Five of Us is a powerful, though subtle, reminder that the world is a better place when we can focus on what we can do, rather than what we can’t.

Sir Quentin Blake is a British cartoonist, illustrator and writer. His illustrations and stories have delighted children and adults all around the world for more than fifty years.

‘An inspirational book with a lovely message. Quentin has a talent for storytelling and has crafted a tale that is moving, nail-biting and incredibly uplifting.’

JUNIOR MAGAZINE

‘[The Five of Us] perfectly captures the essence of what makes kids so imaginative, brilliant and brave whatever their background or ability’

READ IT DADDY
Joe got to work at once. He learned to preen and prune, dig and sow. Every day, he brought home new seeds. He started to grow all sorts of things.

Before long, the single tree had become a tiny garden that grew bigger...

Have you ever wondered how the stars came to be in the sky? When the moon disappears for a few nights each month, The Fisherman’s Daughter worries about her father and how he will find his way home to her. When the Sun finds her crying, he offers her a way to ensure that there will always be light in the darkness.
